DECEMBER 2021 SHED NEWS

Presidents Report...

Greetings Fellow Shedders,

Those Shedders and their partners who attended our Christmas Party gave the day the "thumbs up". Thanks go to "Old Chisel" for providing entertainment including encores, and to Burt for co-ordinating the arrangements. Congratulations also go to those Shedders who received awards. These are featured elsewhere in this newsletter.

The visit to Algester Men's Shed was a thoroughly enjoyable occasion. An entertaining speaker spoke on aspects of estate planning from the point of view of ageing parents. The hospitality of the Algester Shedd-ers was much appreciated, and I am sure there will be frequent inter- action between our Shed's in the future.

Let's hope that no complications arise when the borders reopen. Your Committee will be watching this situation closely.

As we break-up on Friday 17th for 3 weeks, I will take this opportunity to wish every Member good health during the Festive Season. Have a safe and merry Christmas and a happy New Year.

Regards to all Partners as well.

ROB JOHNSON

GRAHAM PERRETT MP

During a surprise visit by Graham Perrett MP Federal Member for Moreton this month, Graham joined the shed members at morning tea and afterwards he was shown the Warrigal Rd State School race track project. Graham is seen here with President Rob, Project

coordinator Ian H and project manager Maurice M. As reported last month, this project is by far the largest undertaken by the Shed and a big thanks to all who have been involved.

REMEMBRANCE DAY

Due to Remembrance Day falling on a Thursday shed members celebrated Remembrance Day on Friday 12th November and not the 11th. A good number of members attended and the service was led by Des B and assisted by other shed members.
