NOVEMBER 2021 SHED NEWS

Presidents Report...

Fellow Shedders,

Our recent clean-up of the areas immediately around our various buildings and activity spaces went very well, and the "look" of our Shed has improved considerably. Thanks must go to the team of Shedders who worked steadily for 80-90 minutes to achieve that result. Well done indeed!

On Friday, 12 November, the Shed's daily format will be a rather special "Last Friday of the Month" day. Dennis O'L will run a darts competition for those Shedders interested in a bit of fun, Des B will conduct a Remembrance Ceremony, and the "Last Friday Sub-Committee" is arranging for a guest speaker (Bob Walker) to talk to us about "scams". They will also hold a BBQ, so the attendance fee for that day will be \$5.00.

Algermen's Shed has invited us to attend a sausage sizzle at their Shed on Thursday, 25 November (the day before our Christmas Party). We have assisted them in a couple of ways this year, and they are reciprocating by inviting us to their Shed. Brian Herd, a solicitor, will be giving a talk. As Algermen's Shed have asked for definite numbers for catering purposes, please put your name on the notice board by Monday, 22 November if you wish to attend and meet our neighbouring Shedders on their turf.

Don't forget to register to attend our Christmas Party at Algermen Sports Club on Friday, 26 November, and pay the \$15 fee (\$25 for partners) to Treasurer Brian or to a Shed Supervisor. A few days' later, eleven of us will be getting into the Christmas spirit on the afternoon of Monday, 6 December when we attend the Lord Mayor's Christmas Party in the City Hall.

Regards to All

St John QLD are recruiting volunteers

St John QLD are currently recruiting volunteers to support their community visitor scheme (CVS). The scheme provides connection, social interaction and friendship to seniors who are no longer able to get out and about as often as they used to. Many long be a part of the community still and wish to pursue hobbies and interests and so St John are hoping to 'bring the Men's Shed to them' in their homes or aged care through the CVS program. The volunteering commitment is 1hr per fortnight and you will be matched with someone with similar interests. Activities together could include, sanding pre-cut wooden pieces and assisting in assembling, painting, or varnishing. Alternatively, you could play a card game or do a puzzle together while having a cup of coffee or tea.

SHED ACTIVITIES

WORKING BEE

It was decided, by the committee last month that the gardens and general areas around the shed needed to be cleaned up. The clean-up day was set for Wednesday 27 October. Members were asked to join in. Over 20 members were present on the day and in less than 2 hours the gardens were weeded, grass mown and litter cleaned up and 2 trailers of rubbish taken to the dump.

A great effort by all members!!

SHED GUEST

VISIT FROM FRANK PEARCE...

On Wednesday 27 October we were visited by QMSA Regional Director Frank Pearce pictured below.

Frank explained that his role is a part-time role and he is currently visiting a range of sheds, in Qld to better understand the needs and wants of sheds. Frank also met with QMSA Metro South Zone Representative Geoff C
