MAY 2022 SHED NEWS

Presidents Report...

Fellow Shedders

Negotiations have commenced between the South Moreton Presbytery of the Uniting Church regarding the tenure of our existing premises. We anticipate a very suitable and favourable outcome to these negotiations and are currently busy preparing a 10 Year Strategic Development Plan.

Our traditional ANZAC Day celebration was held on Friday 22 April. The President of the Sunnybank RSL, Hugh Polson, was the guest speaker. Thanks to Des Broom for organising a solemn celebration. I was honoured to be able to lay a wreath on behalf of the Shed at the Sunnybank RSL's own ANZAC Day service on 25th.

I am pleased to say that our Family History meetings are interesting and progressing well. We very much appreciate being able to use the facilities at the Sunnybank Hills Council Library. I would like to see activities such as the playing of darts, chess or backgammon pursued by Members.

Last Friday, two librarians (Blanche and Gina) from the Sunnybank Library were our guest speakers. Also present at our Last Friday activities were 7 members of the Beenleigh Shed and the past president of the Algester Men's Shed, Bob Hetherington. It is certainly beneficial to interact with members from other Sheds, as the Beenleigh group were interested in our dust extraction system. They showed us how they electronically control usage of their machinery.

ROB JOHNSON
President

GRANT APPLICATION

I am happy to inform members that our application for \$2,135 grant to fund first aid training has been successful. Details of our bank account have been given to the Sunnybank Community Sports Club and we expect the funds to be transferred with-in a few weeks..

This new grant is for another 20 places on the first aid course.

Warwick V has finalised the date for the first group to be done in May, and will arrange for the second course to be held in June or July.

LIBRARY PRESENTATION

On Friday 29th April we had the pleasure of hosting a great presentation by Blanche & Gina from the Sunnybank Hills library. Not only did we hear about all the great offerings available at the library but also a story & presentation on the library robot JD (pictured). JD was developed by library member's to showcase modern technology. Our grand children are learning about robotics at school.

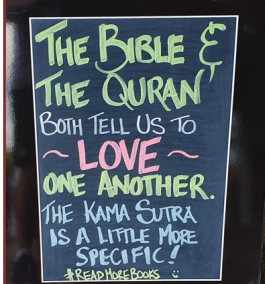

Our Shed runs a family history group at the library, see Tony W for details.

JOKES OF THE MONTH

BOOKSHOP

DEATH

After Alex died, everyone gathered at his funeral. Then the minister started to speak: "He was a model husband, a decent man, a terrific father..."

The widow then makes a motion for her son to come to her.

"What is it mother?" he whispers.

"Dear, go check the casket, I think we're at the wrong funeral..."

MACHINERY LOG IN/LOG OUT SYSTEM

On Friday 29th April 6 members of the Beenleigh Men's Shed visited our shed primarily to talk to members about our dust extractor System, as Beenleigh Shed want to install a similar system

They also demonstrated a great device that one of their members, Greg has developed.

The system eliminates the need to sign on/off and allows for control over machine use.

Those who have some knowledge of these things watched on with great interest.

FOR SALE

A rocking Horse made by a shed member is For Sale. This Rocking Horse is well made & nicely painted. For Sale at only \$150.00 or near offer.

FINISHED PROJECT

Another successful project completed by Doug F, a Bird Feeder for his daughter

SHED WEBSITES

Is every one aware that Sunnybank District Community Men's Shed has a web site, www.sunnybankshed.org and a **facebook page** sunnybank men's shed. Have a look at both these sites & add them to your favourites.
